

Hospital/Clinic

Facilities that explicitly include “hospital,” “clinic,” “medical center,” or equivalents in other languages.

Laboratory

Entities containing terms like “lab,” “laboratory,” “laboratorio,” “pathology,” or “diagnostics.”

Pharma/Distributor

Companies involved in pharmaceutical manufacturing, distribution, or equipment supply.

Keywords include “pharma,” “drugstore,” “distributor,” “equipment,” etc.

Research/Foundation

Institutions associated with research, universities, funding foundations, or non-profit research entities.

Health Admin/Public Services

Government or regional health services, public health programs, or logistics coordination groups.

Unknown / Small Entity

Customers with unclear function due to ambiguous names or limited identifying keywords.
